

The Collaboration Spectrum

Compete	Co-exist	Communicate	Cooperate	Coordinate	Collaborate	Integrate
Competition for clients, resources, partners, public attention.	No systematic connection between agencies.	Inter-agency information sharing (e.g. networking).	As needed, often informal, interaction, on discrete activities or projects.	Organizations systematically adjust and align work with each other for greater outcomes.	Longer term interaction based on shared mission, goals; shared decision-makers and resources.	Fully integrated programs, planning, funding.

- Have members individually assess where they think the collaborative **is** on the spectrum (blue dot)
- Have members individually assess where they think the collaborative **should be** on the spectrum (green dot)
- Are you all in the same place or different? Do you want to move to a new place?
- Have a discussion about this.

EXERCISE DESCRIPTION:

The word ‘collaboration’ can be interpreted in many different ways. There is a continuum of different collaborative approaches. As groups move along the continuum they must pay attention to activities that build trust amongst the partners. Collective Impact efforts exist within the stages of the collaboration continuum that include coordination of efforts, collaboration amongst partners and the integration of services and programs. ***While distinguishes Collective Impact as a form of collaboration is its unique emphasis on: the use of shared data; and, its focus on working together across multiple sectors.***

EXERCISE HOW-TO:

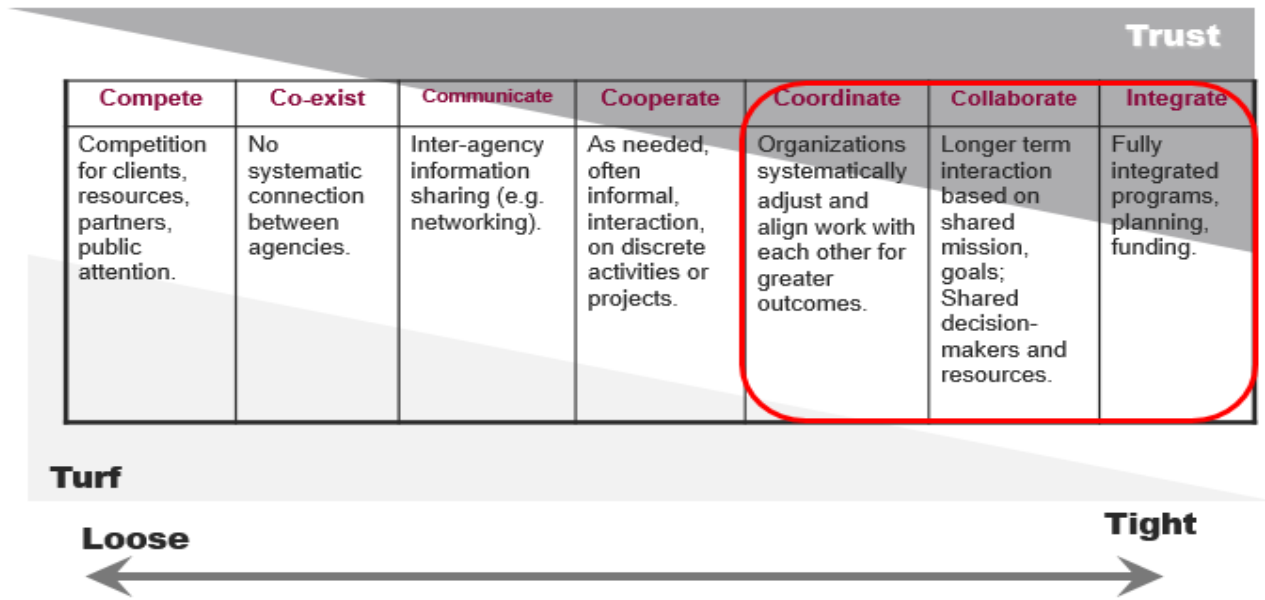

1. Ask participants to place a colored dot on a visual of the Collaboration Spectrum to depict the level of collaboration **currently** happening regarding your issue.
2. You can also ask them to place a second different colour dot on the Collaboration Spectrum to depict the level of collaboration that the personally would like to see in addressing your issue.
3. Debrief and discuss similarities and differences reflected in the placement of dots.

EXERCISE DEBRIEF:

Some suggested debrief questions include:

- How can we get others excited to work with us on this issue?
- What additional information do community partners require (& who should they hear it from)?
- Do we have this information? If not, where can we find it?
