

A transformational learning experience with an international expert

Save the date: **Weaving a Strong Community**

Your collaboration has been nominated to participate in this interactive learning event. We are all familiar with continuing education for our boards and agencies. *This is continuing education for your collaboration!* You and four of your colleagues will create an action plan and leave with tools to engage in productive collaboration with cross-sector community partners.

Date: Tuesday, October 17th 2017

Time: 8:00am - 12:00pm

Location: Waukesha Memorial Hospital - Treiber Auditorium C2
725 American Avenue, Waukesha, WI 53188

A select group of existing collaborations have been invited to attend this opportunity, including: the Community Health Improvement Plan and Process for Waukesha County, Find-a-Ride Network, Thriving Waukesha, Housing Action Coalition, Aging and Disability Resource Center, and more.

Learn trends and put them into action!

Liz Weaver is passionate about harnessing the power of communities to inspire change. She brings years of experience working with organizations to increase effective communication between leaders in private and public spheres. Weaver's passion for community collaboration shines throughout her career. Currently, she is the Vice President and Director of Operations at [Tamarack](#), a Canadian nonprofit organization that focuses on community engagement to reduce poverty. In her previous role, she led the Vibrant Communities Canada team to strengthen collaborations and helped multiple teams develop frameworks of change. In 2002, Weaver completed a Masters of Management for National Voluntary Sector Leaders through McGill University and was awarded a Queen's Jubilee Medal for her leadership in the voluntary sector.

Experienced in leading teams, developing curriculum, and delivering educational workshops, Weaver is bringing her expertise to Waukesha to turn theory into impact through this three part program.

Part 1:

Presentation from Liz Weaver on successful community collaborations

Part 2:

Breakout sessions to discuss practical collaboration tools with guidance from Liz Weaver

Part 3:

Peer discussion with colleagues to share tools, goals, plans, and more
